### MEDICAL, HEALTH AND FAMILY WELFARE DEPARTMENT

**G.O. Ms. No. 150**

**Dated:28-06-2010.**

Read the following:

Proposal of the Commissioner of Health and Family Welfare dated 5 August 2009

### **ORDER:**

1. The National Rural Health Mission (NRHM) is the flagship programme of the Government for health systems strengthening in Andhra Pradesh. NRHM encompasses all major interventions of the Health and Family Welfare Department including *inter alia*: Disease Control Programmes, Maternal and Child Health, Population Stabilisation, Strengthening Sub-centres, Primary Health Centres (PHCs), and First Referral Units (FRUs), support to Emergency Medical Services, and Strengthening the Human Resources Capacity, etc. Currently, the NRHM implementation is supported by a Strategic Programme Management Unit (SPMU) under the overall supervision and monitoring of the Commissioner of Health and Family Welfare (CH&FW).
2. Concurrently, the Government has also been implementing the Andhra Pradesh Health Systems Reform Project (APHSRP) for overall health systems strengthening. Some of the important components of APHSRP include the establishment of comprehensive Health Management Information System (HMIS) and operation of Health Help Line (104 service) in partnership with Health Management Research Institute (HMRI), etc. The APHSRP implementation and monitoring is supported by a Strategic Planning and Innovation Unit (SPIU) that has been working under the overall control of CH&FW.
3. Further, in the note read above, the Commissioner of Health and Family Welfare had proposed for the establishment of a Project Management Unit for effective monitoring of 104 (health help line) and 108 (emergency medical transport) services.

4. The Government, after careful examination of the matter, hereby order for the establishment of NRHM-Strategic Planning and Monitoring Unit (NRHM-SPMU) in the Department of Health and Family Welfare by the merger of existing NRHM-SPMU and the APHSRP-SPIU. The NRHM –SPMU will be headed by a Director who will be drawn from the IAS cadre. The roles and responsibilities of Director NRHM-SPMU will include the following:

- a) Effective planning, coordination, supervision and monitoring of all activities taken up under the National Rural Health Mission (NRHM), A.P. Health Sector Reforms Programme (APHSRP) and all related activities of the Health and Family Welfare Department.
- b) Effective monitoring of the partnership agreement with Emergency Management Research Institute (EMRI – 108 service) and Health Management Research Institute (HMRI – 104 service).
- c) Effective integration of all Health Sector Reforms Programme (APHSRP) activities and strengthening the human resources capacity of the department with all NRHM interventions.
- d) Undertake extensive field visits throughout the State and work in close coordination with the District Collectors and the field staff of medical and health department and other related agencies, in ensuring effective implementation of health care activities
- e) Direct responsibility for synergy and integration with community level activities of the Society for Eradication of Rural Poverty (SERP) and the department of Women and Child Welfare, especially ICDS.
- f) Plan and monitor activities relating to water and food quality in coordination with the Panchayat Raj and Municipal Administration departments.
- g) Overall supervision and management of human resources and financial resources allocated under NRHM and APHSRP.
- h) Any other tasks assigned by the Government from time to time.

5. The Commissioner of Health and Family Welfare, Director of Public Health and Family Welfare, the Commissioner of AP Vaidya Vidhana Parishad shall take necessary action accordingly.

6. This order is issued with the concurrence of Finance (Exp. M&H.II/2010) U.O No. 1080/6/A1/Exp., Dated 19.3.10 along with L.F. 3171/D1/2010.
